

GRANDMOTHER'S FLOWER GARDEN

One unit patterns have never been easier to make!

The rubber stamps allow you to quickly and easily stamp your fabric. You cut out the shapes on the outside line, then sew them accurately by hand or machine together on the inside line. These stamps make many traditional patterns and design your own patterns.

Supply List:

- 1" Hexagon and Diamond stamps from By Kate®
- Pre-inked stamp pad from By Kate®
- 1 fabric piece for the center - about 3" square.
